

RAIN SET

Colors: 

Sizes: M - XXXL

Packing: 1/20[kpl.]

Package: 48x28x28 cm/20 kg

Anti-rain set which consists of jacket and dungarees.

- 35% PVC, 65% polyester
- packed into comfortable (for the purpose of transportation) bag with straps and additional hanger
- reflective strips on the chest and rear and on trouser legs that increase visibility
- glued seams are an additional protection against water penetration
- jacket: zipper with additional Velcro flap and naps cover zipper's gaps against rain and wind penetration; hood with straps that can be closed in the collar; two pockets at the bottom part of the jacket with flaps that protect against water penetration; sleeves adjustment by Velcros and straps at the bottom side of the jacket ensure better protection against wind; ventilation system under armpits for better air circulation
- trousers: finished at waist level with extendible rubber for better adjustment; trouser legs adjustment by Velcros for better protection against wind
- ideal for bad weather conditions
- reflective strips meet requirements of EN471 standard
